Dear Precious Family, Friends, Sponsors and Donors,

Change is in the air! Change isn't always easy but it signifies growth. I really do feel change is, for this season in my life, both personal and for the ministry of Christian Happy Home and Mercy Ministries Foundation (MMF).

I remember when we started our first little home called Christian Happy Home in 1980 in Northern Thailand. Then, in 1998, we created MMF Thailand (a registered Thai foundation) as we started to open other new homes in Thailand. In 2002, we established MMF Cambodia (registered with the Cambodian government) and opened Christian Happy Home Poipet and our MMF School for the kids in the slums of Poipet. The slums are a dire situation and a wonderful opportunity to show God's love.

Now, Mercy Force International (Mercy Force) has been officially established in California. Mercy Force is an approved 501(c)(3) tax exempt non-profit organization created to handle all U.S. donations for Mercy Ministries Foundation (MMF) and Christian Happy Home. So, as we go forward, you will have a new way of sending your support for MMF/Christian Happy Home.

Please read the following introductory letter from Mercy Force with directions for making your donations starting immediately.

I want to thank you for being on this wonderful adventure in the Lord and for taking care of the needy children of SE Asia. Thank you for your incredible and appreciated prayers, your thoughts, friendship and financial support.

We would like to express our sincere thanks to Calvary Chapel Visalia who came alongside of MMF in its early stages, and lovingly and faithfully helped carry and ease the burden of managing donations for many years!

I sincerely thank you for your continual love and prayers on this adventure of faith.

In Awe of God,

Rose

Dear friends of Mercy Ministries Foundation / Christian Happy Home,

Mercy Force International (Mercy Force) was established with a desire to support the ministry of Mercy Ministries Foundation (MMF) in Thailand and Cambodia. In March 2017, we received official tax exempt status as a public charity in accordance with Internal Revenue Code Section 501(c)(3) which allows us to receive tax deductible contributions.

Mercy Force operates under the guidance of a volunteer Board of Directors with extensive experience in ministry, missions, and leadership. Our Board members are:

- President: Steve Bailey, retired aerospace engineer and current Chaplain for the Billy Graham Evangelical Assoc. Rapid Response Team and Samaritan's Purse Operation Christmas Child.
- Vice President: Dave Rolph, senior pastor of Calvary Chapel Pacific Hills in Aliso Viejo, CA.
- Secretary/Treasurer: Annie Snowbarger, business executive and active member of the Missions team North Coast Calvary Chapel in Carlsbad, CA.

**How to donate (starting immediately):**

By check: Starting now, please make your check payable to Mercy Force International (or Christian Happy Home) and mail to the following address:

Mercy Force International
